The school has written processes in place to enable it to comply with the requirements of the *Work Health and Safety Act 2011* (Qld) and the *Working with Children (Risk Management and Screening) Act 2000* (Qld).

3. Responding to Reports of Harm

When the school receives any information alleging 'harm'¹ to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This is set out in the school's Child Risk Management Strategy. Information relating to physical or sexual abuse is handled under obligations to report set out in this policy².

¹ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(7)*: the definition of 'harm' for this regulation is the same as in section 9 of the *Child Protection Act 1999 (Qld)*

² *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)*

4. Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students³.

5. Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to:-

- Anne Donoghoe (Principal)

or

- Kristy O'Neill (Deputy Principal) ⁴

6. Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the Principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school's governing body⁵. Reports will be dealt with under the school's *Grievance and Complaints Policy*.

7. Reporting Sexual Abuse⁶

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects, in the course of their employment at the school, that any of the following has been sexually abused by another person:

then the staff member must give a written report about the abuse or suspected abuse to the Principal or to a director of the school's governing body immediately.

The school's Principal or the director of the school's governing body must immediately give a copy of the report to a police officer.

(Under section 366B of the *Education (General Provisions) Act 2006* the directors of a school's governing body may delegate the directors' function under section 366 to an appropriately qualified individual (this cannot be the principal or any other staff member of the school). Directors should ensure they are well briefed about the requirements of section 366B before delegating this function, including identifying the delegation in this policy and informing the school community of the delegate/s name/s their contacts, and their role in the school's processes.)
